

TRAKEHNNERS UK

Trakehners UK 2012

My name is **Elizabeth Ward-Barnett** (Beth), I am 21 years old and live in Tillington, Hereford.

I work as an Estate Administrator for the Co-operative Farms Group, 5 days a week.

I am lucky enough to have a small yard and facilities at home on the farm enabling me to keep my horses with me.

I am currently part of the BEF Excel Talent Programme.

My future aim is to be able to train and compete my horses from basics to advanced levels.

Henry

12 year old British bred gelding. 16.1hh. Bought at 12 months, broken and schooled by myself.

Achievements

2007

He competed at Marlton in Ireland as part of a 'friendly' international; he was reserved champion individually at Novice level and a member of the team placed 2nd.

At his first NW Regional Champs, he was 3rd at Novice level, qualifying him for the Nationals.

2008

He won the Novice Open Area Festival with 75% qualifying him for the Petplan Championships where he was 3rd.

2009

He won the Elementary Restricted NW Regional Champs with 72% and qualified for the Nationals where he was placed 5th.

He won the Medium Restricted Petplan Area

Festival at Pencoed College with 70%.

2011

He was 2nd in the Medium Restricted Eastern Regionals qualifying for the Nationals where he went on to be placed 6th.

Future Goals

Henry is currently learning flying changes with the hope of competing in our first Advanced Mediums towards the end of this year.

If this is successful, I would like to qualify him for the Advanced Medium Petplan Area Festival 2012.

Sheepcote Delight

8 year old British bred mare. 16hh. Bought at 18 months, broken and trained by myself.

Achievements

2006

At 2 years old, she was Supreme Champion at the BD Young Horse and Breeding Championships held in Keysoe.

2010

She was 4th in the Novice Open at the SW Regional Champs qualifying for the Nationals where she was placed 9th.

She was 2nd in the Medium Restricted Area Festival at Burrows Court.

2011

She won the Elementary Open and Medium Restricted Regional Champs at Somerford Park qualifying her for the Nationals.

She was 11th in the Medium Restricted Nationals.

2012

She has qualified for the Medium Open Regionals.

Future Goals

Delight has been establishing her flying changes, that she began to learn last year, and has competed in her first few Advanced Mediums this summer. Our scores are gradually increasing as our confidence at this level grows.

In training, we are working towards the movements for PSG with the aim of trying our first test next year.

She is also being introduced to 'baby' piaffe and passage in the hope that one day we will compete at Grand Prix.

Don_Johnson

3 year old Dutch bred gelding. 16.2hh.

Don Johnson (DJ) arrived from Holland 2 weeks ago.

DJ is just backed and I'm intending to compete him in Young Horse classes next year.

DJ was bought as the next 'project' now that I have schooled my other horses to a more advanced level.
